TAIWAN BUSINESS DAY 2020

OPPORTUNITIES IN THE AGE OF CRISES

And How Agile Innovators Respond With Effective Solutions

On 8 October 2020 it's 9th time, TGN organizes Taiwan Business Day in The Netherlands, the event for Dutch entrepreneurs to learn about business opportunities in Taiwan. This year's special attention will go to the theme "Opportunities in the age crises" – on how agile innovators respond with effective solutions and how soft landing programs in both Taiwan and The Netherlands can be effectively used to grow your innovative business globally.

ABOUT US

TGN (Taiwan Globalization Network) is the network of enablers in Taiwan and the Netherlands that facilitate innovation between the two countries. Since they have both a gateway function in their region, the network supports globalization in Europe and Asia.
